permission to take them off during
competition. **

Roger A Jarrett, 9th Dan
Tournament Director

COVID-19 TOURNAMENT SAFETY RULES AND PROCEDURES

We are excited to be back to competition, and to get back to “normal” as much as possible. That being said, to ensure everyone’s safety, please follow these important guidelines.

- Masks / face coverings must be worn by all attendees.
- Temperature checks will be given to all those entering the facility. Anyone with an elevated temperature may not be allowed to enter.
- All divisions will be given certain staging times. Only those affiliated with those divisions may enter the facility at that time. (athletes, coaches, spectators) Once those divisions are finished, all those affiliated with that division will need to leave the competition area to let the next group in. This will allow for less people in the facility and more room to social distance.
- Please use social distancing as much as possible.
- Sanitizing stations will be at every ring and throughout the facility.
- For Kumite, all athletes will sanitize and disinfect gear before every match.
- Please keep the number of spectators to a minimum per athlete. This will allow for less people and social distancing.
- Concessions will be available. Masks may be removed for eating and drinking.
- Volunteers who are actively working may stay in the facility during the duration of the competition.

[Any questions or concerns, please contact the tournament director.](#)
